---

### Work Experience

#### Frontend Developer – Volunteer | Google Developer Group (GDG Accra) | *Accra, Ghana | Jan 2025 – Dec 2025*

- Contributed to community-driven frontend and open-source initiatives.
- Converted Figma UI designs into responsive, accessible web interfaces.
- Collaborated with developers during projects, events, and peer-learning sessions.

#### Computer Hardware & Networking Trainee | Chorkor Digital Lab | *Accra, Ghana | Oct 2025 – Nov 2025*

- Completed hands-on training in computer hardware, networking, and system troubleshooting.
- Used Cisco NetAcad modules and Cisco Packet Tracer for networking simulations.
- Practiced diagnosing and fixing faulty computer hardware and network-related issues.

#### Frontend Developer – Graduate Trainee | AmaliTech | *Accra, Ghana | Apr 2025 – May 2025*

- Strengthened core JavaScript concepts through intensive logic analysis, code walkthroughs, and practical exercises.
- Gained exposure to accessibility-first design principles, CI/CD deployment workflows, frontend testing with Jest, and modern development best practices.
- Participated in professional development sessions covering self-confidence, teamwork, communication, and interview preparation.

## **WordPress Developer – Intern** | Slamm Technologies | *Accra, Ghana* | *Feb 2025*

- Customized and managed WordPress websites to improve layout, usability, and content structure.
- Worked with themes, plugins, and SEO tools to enhance performance and visibility.
- Collaborated with graphic designers on visual concepts and provided UI feedback.
- Supported the content team with insights on digital storytelling and social media strategy.

## **Web Developer Trainee** | MEST Africa / Generation Ghana | *Accra, Ghana* | *Sept 2024 – Nov 2024*

- Completed an intensive hands-on training in web development.
- Built projects including an e-commerce website and a School Management System (eSukuu).
- Collaborated with backend teams on API integration and applied UI/UX best practices.
- Worked in an Agile team environment, participating in sprints, stand-ups, code reviews, and stakeholder presentations/product pitching.

## **IT Support Specialist – National Service Personnel** | Forestry Commission of Ghana – Headquarters | *Accra, Ghana* | *Oct 2023 – Sept 2024*

- Provided day-to-day technical support to staff, resolving hardware and software issues.
- Assisted with system maintenance, user setup, and troubleshooting to minimize downtime.
- Supported basic networking operations to ensure smooth internal communication.

## **UI/UX Designer – Volunteer** | Fleet Labs Ghana | *Accra, Ghana* | *Mar 2024 – Aug 2024*

- Explored UI/UX design through guided mentorship, tailored projects, and hands-on guidance.
- Worked on desktop and mobile app concepts involving user research, wireframing, and prototyping.
- Developed a strong foundation in human-centered design and usability testing.

## **IT Support Assistant – Intern** | Ghana-India Kofi Annan Centre of Excellence in ICT | *Sunyani, Ghana* | *Sept 2022 – Dec 2022*

- Assisted with IT training sessions, networking labs, and system administration exercises.
- Built foundational skills in frontend development, Oracle DBMS, and Linux virtual machines.

---
